Planning Spruce Ups for this Spring/Summer?

Whether you're planning to do a big face lift or just change paint colors, now is a great time to submit an application for exterior improvements to the Design Control Committee. Call Gina in the office if you have questions about what requires an application.

Building a Sense of Community

We would like to make you feel like a member of this little community regardless of tenancy or ownership...it's your home. In this effort we're asking homeowners to share their tenants' email address with us. It won't cost the association anything to email the newsletter and meeting minutes. Statements will still only go to the homeowner. It is also our hope that this will help to educate tenants of our covenants and eliminate non-compliance. Missing or found pet emails will also reach them. Thank you!

Snow Reminders

It is unlawful to move snow onto the streets whether or not they've been plowed. Please put snow on your lawn as it is a great way to insure green grass in the spring and early summer. Parking on the street from November 1-May 1 is prohibited by Eagle County. Parking on your lawn is prohibited by our covenants. While this is a hassle for some it is a way to keep a reasonable number of vehicles at any given property.

Please do your best to help keep a path cleared to your mailbox and a clear path to and all the way around the fire hydrant closest to your house.

Changes in Board Membership

Bruce Pearson resigned his position on the board after serving in several capacities on the board since 2007 and most recently as board president. His dedication to our neighborhood is very obvious. His vacancy was filled by Loren Wilder.

Billy Carr has resigned his position on the board after 3 years of service. His humor, frugality, and vehicle expertise was much appreciated. His vacancy has been filled by Ted White.

We value the broad range of homeowner opinions and encourage attendance at our monthly board meetings held the second Tuesday of every month at 6:30 in the Blue Lake Office.

RECYCLE SMART

Waste Management has asked us to share their new website to answer questions:
www.RecycleOftenRecycleRight.com

Girl Scout Cookies Available

Please call local Troop Christine at 963-3080.

Local Delivery in Blue Lake.!

Blue Lake Owners ROCK!

At January's board meeting it was announced that we don't currently have any homeowner accounts that are more than 60 days past due. That says a lot about the people that live here. THANK YOU for being a great community of people!

"Aspen Sweets"

Lisa Jo Anderson is Blue Lake's own pastry chef. She recently donated a box of her amazing creations for our board meeting. Those were some of the prettiest and best tasting cookies to ever cross our lips. If you need something sweet for your sweetie for Valentine's Day or any other special occasion, you'll likely get to eat some too.

Personally endorsed by Gina and Joe!

Call to place an order today: 618-2023

Storage Reminder

All vehicles, trailers, campers, etc. stored in Blue Lake storage MUST display current registration or you risk losing your spot. Thank you!
